Federal Ministry of Education and Research

Aims

We follow the OHHLEP definition of One Health

- **C**ommunication
- **C**ollaboration
- **C**oordination
- **C**apacity Strengthening

OHHLEP (2021)

- Inclusivity, equity and access
- Across all sectors and levels of society

Created in https://BioRender.com

Federal Ministry of Education and Research

Uniting disciplines for One Health

One Health Platform

Strengthening the One Health approach <u>in research</u>

- Better networking
- Joint research projects
- Interdisciplinary knowledge transfer
- Support of young researchers

→ 1.Step: connect zoonoses research, infectious research, AMR research (human + vet.) stronger with environmental research sector

Transfer between research and practice

Raising public/political awareness of One Health

Networking with international One Health initiatives

Federal Ministry of Education and Research

Activities
